

Wolf

Familiars: AR Animal Companions

Wolf

"Wolves stand as a reminder of a simpler, ancestral time. Lone wolves, prowling, the hunt... all characteristics that remind us how we used to be rougher around the edges."

Justin DuPont - Familiars - 2026

Fox

Familiars: AR Animal Companions

Fox

"Literally written into history as the "trickster" animal, foxes bring out our most sly side. Symbols of sheer cunning, don't go looking to make a deal with one anytime soon."

Justin DuPont - Familiars - 2026

Raccoon

Familiars: AR Animal Companions

Raccoon

"Wearing a mask on their face, raccoons are born into the role of a thief. For as scandalous as that title is, however, something about them is just so... adorable."
