

## Privacy Policy for Familiars

*Last Updated: 12/14/2023*

Welcome to the Privacy Policy of **Familiars**. We are committed to respecting our user's privacy. This policy outlines our privacy practices concerning the **Familiars** application.

### 1. Information Collection

**Familiars** does not collect or store any personal information from its users. We do not require users to provide personal information to download, install, or use our application.

### 2. No Data Sharing

Since we do not collect any personal data, we have no information to share or disclose to third parties.

### 3. Camera Feed Use

For AR functionality, **Familiars** requires access to the user's device's camera. Please note the following:

- Camera Access: The app uses the camera feed only to provide AR features within the app.
- No Storage or Recording: The camera feed is **not** stored, recorded, or transmitted by the app at any time. The feed is **only** used in real-time for the AR experience and is not retained.
- User Consent: Access to the camera is requested only after user consent and can be revoked at any time through the user's device's settings.

### 4. Changes to Our Privacy Policy

We may update our Privacy Policy from time to time. We encourage users to review this Privacy Policy periodically for any changes. Changes to this Privacy Policy are effective when they are posted on this page.
